The world around you tilts, and suddenly, the comforting chaos of reality morphs into a dazzling tapestry of vibrant colors and soft clouds. Ethereal music fills the air, wrapping around you like a gentle embrace. Confusion tingles at the edge of your thoughts, yet something deep inside you stirsglorious angels with radiant feathers and shimmering halos. You gasp, a pure instinctive reaction planting joy in your chest. "What is happening?" you stammer, heart racing.

Before you can comprehend the beauty surrounding you, an odd sensation begins to ripple through your body, causing you to sway slightly as if caught in a whimsical breeze. This ticklish feeling starts in your toes and spreads swiftly upward, brushing against your skin like playful hands. You want to laugh, but it's mixed with a gasp of surprise, and you barely know what to expect.

Suddenly, your skin starts to brighten, transforming into a blindingly pure white, iridescent and soft as if illuminated from within. "This is... incredible!" you chuckle, the delightful tickling following the transformation driving waves of warmth through your body. With every pulse of sensation, your cheeks swell, large red circles blooming like playful ornaments on a holiday tree, and you feel lighter than air.

As the ticklish lightness continues to surround you, your hair re-styles itself effortlessly into a slick back of soft blonde with coral streaks shining like rays of sunset. Youlike the heavenly beings that flit joyously around you.

you wonder aloud, the tranquility of the moment wrapping around you like a warm blanket. You canevery brush from those magnificent feathers is exquisite, and they seem to whip up a whirlwind of giddy exhilaration.

Instantly, your clothes dissolve into an elegant, flowing angelic robe adorned with light blue accentsve become a teen or a youthful adultt help but sing a harmonious note that dances into the dream-like air. "This is amazing!" you exclaim, embracing the wonderful sound that tumbles from your lips.

But then a strange sensation washes over you. Memories begin to shift, a murmur nudging at the back of your thoughts, pulling at fragments of your past. Memories of who you werethis ethereal paradise where youve embraced your true essence, you settle into your place among the other angels, eternally radiant, fully

yourself, and forever free.
